

News Release: Global Plastics Manufacturer Selects TiPS LogMate for Alarm Management

Release Date: Immediate (January 20, 2006)

From: TiPS, Inc., USA

Media Contact: Chris Wilson, (512) 863-3653 x 520, [chris@tipsweb.com](mailto:chris@tipsweb.com)

TiPS is pleased to announce that LogMate has been selected as the corporate alarm management software solution by one of the world's leading manufacturers of plastic, silicon, and ceramic materials with facilities in the United States, Mexico, and Europe. After a detailed technical evaluation of available products, LogMate was selected based on proof-of-concept, features, ease of use, and low maintenance.

(Note: The corporation does not permit use of its name in news releases, otherwise, more detailed information would have been included.)

About TiPS:

TiPS is a pioneer in alarm management software, producing the first version of LogMate in 1990. LogMate has been refined over 16 years and hundreds of installations around the globe. TiPS prides itself on quality, stable, feature-rich products that excel against the highest standards of value. TiPS is a thought leader in alarm management, committed to education and empowerment of our current and future clients. Find out more at <http://www.tipsweb.com>.
